

# MITTAGONG TO PICTON RAIL TRAIL

Each year the Wingecarribee Shire hosts around 1.3 million visitors who inject approximately \$200 million into our local economy.

We are located less than two hours from both Sydney and Canberra, and only one hour from Wollongong.

The Southern Highlands are known for fantastic cool climate food and wine, rolling hills and dramatic waterfalls, quaint villages and spectacular gardens.

Between Picton and Mittagong lies the former Main Southern Railway. This scenic corridor is still in good condition and is largely unused - posing a fantastic opportunity for a multi-use trail!

This multi-use trail would link with existing tourism opportunities and attractions including:

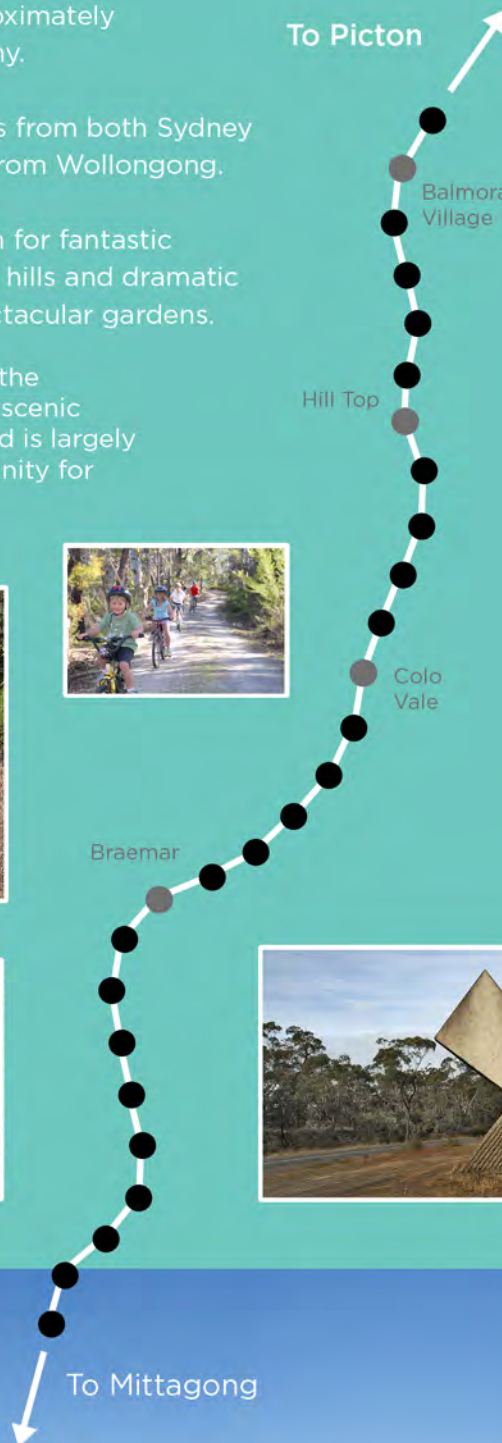

- Nattai National Park
- Cave Creek
- Morton National Park
- Thirlmere Railway Museum
- Fitzroy Falls
- Our historical townships
- Lake Alexandra

Cycle tourism is a growing market and this project would form a critical section of a Sydney to Melbourne Cycling Route.
